## Welcome to BarrieCamp

At Barrie Camp, an American Camp Association Accredited Camp, we seek to develop your child's best qualities and provide all of the things that are needed for kids to enjoy a fun and engaging camp experience. A Washington, D.C. area institution since the 1950s, Barrie Camp offers a safe, self-contained environment perfect for campers to freely explore and enjoy their favorite activities with friends, old and new. Barrie Camp provides a range of traditional and new

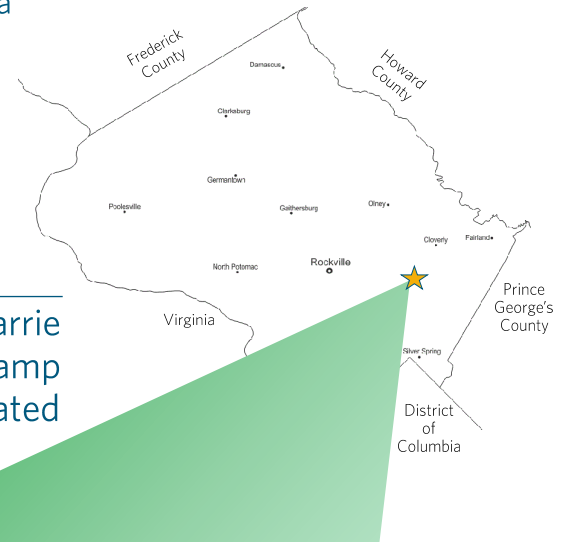

activities that make each summer unique. Through hands-on experience, collaboration, and diversity of thought and culture, campers are encouraged to be themselves, try new things, explore, accept challenges, and find joy in all that they do

Barrie is an extraordinary environment for summer learning, exploration, and fun – camping at its best! With a wide variety of activities, a vibrant community, an abundance of multi-purpose facilities, and a vast natural setting, campers are free to explore new things, enjoy the outdoors, spend quality time with friends, and benefit from encouragement provided by an exciting group of counselors and program specialists.

Barrie Camp is the ideal setting for unlimited activities indoors and out. With on-site swimming, canoeing, and arts, core activities are held on campus. The campus looks much the same as it did when the Layhill "ranch" became the camp's home in 1956.

| ◆ 25-meter Olympic outdoor swimming pool           | ◆ Outdoor Amphitheater                            |
| ◆ 14 air conditioned school buildings and cottages | ◆ Athletic fields, including a Turf Field         |
| ◆ 2 ponds for canoeing and nature study            | ◆ Archery Range                                   |
| ◆ 2 Gymnasiums                                     | ◆ Hiking Trails                                   |
| ◆ Black Box Theater                                | ◆ Multiple Playgrounds                            |
|  | ◆ 2 pavilions and innumerable shaded picnic areas |

Set on 45 acres just outside Washington, D.C., Barrie Camp provides a time-honored summer camp experience for children ages 4-14. Conveniently located minutes from the ICC and Glenmont Metro stop. Bus transportation is also available.

# 2021 Summer Calendar

	Monday	Tuesday	Wednesday	Thursday	Friday
<b>Week 1</b>	14 First Day Of Camp!	15	16	17 Spirit Wear! Wacky Tacky Wear <small>Pizza Day - \$1.25 a slice</small>	18 Pool Party!
<b>Week 2</b>	21	22	23	24 Spirit Wear! Throwback Thursday <small>Pizza Day - \$1.25 a slice</small>	25 Pool Party!
<b>Week 3</b>	28	29 Olympic Games Opening Ceremonies	30	1 July Spirit Wear! Patriot Dress <small>Pizza Day - \$1.25 a slice</small>	2  Olympic Games
<b>Week 4</b>	5 No Camp Happy Independence Day!	6	7	8 Spirit Wear! Super Hero Wear <small>Pizza Day - \$1.25 a slice</small>	9 Pool Party!
<b>Week 5</b>	12  Start of Klondike Week!	13	14	15 <small>Pizza Day - \$1.25 a slice</small>	16  Klondike Day
<b>Week 6</b>	19	20	21	22 Spirit Wear! Sports Jersey Wear <small>Pizza Day - \$1.25 a slice</small>	23 Pool Party!
<b>Week 7</b>	26	27	28	29 Spirit Wear! Maryland Day <small>Pizza Day - \$1.25 a slice</small>	30  Neptune Day
<b>Week 8</b>	2 August	3	4	5 Spirit Wear! Disney Mania <small>Pizza Day - \$1.25 a slice</small>	6 Pool Party!
<b>Week 9</b>	9	10	11	12 Spirit Wear! School Spirit <small>Pizza Day - \$1.25 a slice</small>	13  Barrie's Beach Bash!

Please note the calendar is dynamic. Events and times are subject to change.

Barrie is an extraordinary environment for summer learning, exploration, and fun – camping at its best! With a wide variety of activities, a vibrant community, an abundance of multipurpose facilities, and a vast natural setting, campers are free to explore new opportunities, enjoy the outdoors, spend quality time with friends and benefit from encouragement provided by an exciting group of counselors and program specialists.

**Outdoor Education** is an important aspect of Barrie. The many natural habitats across campus provide a lush and wondrous environment in which campers can explore and play. Outdoor education is incorporated into many of our activities.

**Day Camp** provides a comprehensive mix of classic camp activities, perennial favorites, and fun new offerings. All campers enjoy on-site swimming, canoeing, sports, nature, arts and crafts, dance, karate, music, cooperative games, drama, and more! Middle and Upper campers are also offered archery, American Sign Language, outdoor living skills, and computer sciences. Activity periods run 35 minutes in length. Most activities are scheduled once a week except for swimming which is scheduled daily. Day camp groups are based on the grade a camper is going into during the school year following camp.

◆ Lower Camp A	Grade Pre-K	Coed (LC) Turning 4 by the end of the calendar year
◆ Lower Camp B & C	Grade Pre-K & K	Coed (LC) Age 4 or 5 by start of camp
◆ Middle Camp	Grade 1	Coed (BG)
◆ Middle Camp	Grades 2 or 3	Coed (M2, M3)
◆ Upper Camp	Grades 4, 5, or 6	Coed (U4, U5, U6)
◆ Upper Camp	Grades 7 and 8	Coed (Seniors)

**Lower Camp (LCs)** groups work out of a home base where they keep personal belongings and change. This space also contains age-appropriate activities and accessories for free time, rest period, and snack time. LCs report directly to home base and typically do not attend morning Flagpole unless there is a special event. Each LC group is led by a lead staff member supported by a team of caring counselors. *All LC campers must be fully potty-trained.*

**Seniors** (Grades 7 and 8) groups have a half day of morning activities scheduled for them, allowing for them to experience different opportunities that camp has to offer. Each Monday morning Seniors will select two periods of their afternoon activities, followed up with Senior Games, where all of the Seniors come together for a large game (Capture the Flag, Kick Ball, etc) and wrap up the day with a swim.

**Specialty Camps** offered to children entering grades 2 and up. The schedule offers a half day of specialty activity programming combined with a half day of traditional camp activities. Specialty programs currently offered include Horsemanship, Just Girls, Just Boys, Karate, Naturalists, Studio Art, and Video Production.

◆ Karate Kids	Grade 2 through Grade 8
◆ The Naturalists (Nats), Studio Art, Just Girls, Just Boys	Grade 2 through Grade 5
◆ Horsemanship, Sports, Video Production	Grade 4 through Grade 8

**Super Camps** are single week programs offered throughout the summer, providing blasts of fun and learning. Each offering is unique and targets a specific interest and age group. Additional fees apply and vary depending on the program and length of day. Eligibility varies by program. See pages 8 - 11 for specific information on each offering.

◆ Super Camps	Kindergarten through Grade 8
---------------	------------------------------

**Leadership Training** is provided for young people going into grades 9 or 10 through specific programming. Activities, discussions, and hands-on assisting with camper groups increases awareness of child development, experience in group management and development of leadership skills.

◆ Camper/Counselor-In-Training	Grade 9
◆ Counselor-in-Training	Grade 10   Volunteer program   Must apply via counselor application

**Special Event Days** are highlights of each summer that occur every other Friday. The regular daily schedule is replaced with theme based activities for campers of all ages.

## Barrie Olympic Games

June 29 - July 2

## Klondike Week

July 12 - July 16

## Neptune Day

July 30

## Barrie's Beach Bash

August 13

**Daily Schedule:** The day begins at 9:00 am with Flagpole, an all-camp assembly at the amphitheater. From 9:35 am to 3:25 pm, camper groups rotate through eight, thirty-five minute activity periods. The schedule of daily activities changes from day to day and week to week except for set swim times. Most activities are scheduled once per week, weather permitting. Lunch and the occasional free period are included in the weekly schedule. Lower Campers enjoy a rest or nap period after lunch. The camp day ends at 4:00 pm with car pick-up from 4:00 pm - 4:30 pm.

**Swim Program:** Campers are scheduled for two swim periods, with some groups enjoying back to back periods. Campers in Specialty or Super Camps have a single swim period. All campers are tested when they first arrive at the pool to assess skill levels and determine in which areas of the pool they may safely swim. **Basic instruction is offered during regularly scheduled swim times twice a week to non-swimmers and beginning swimmers. Swim instruction is not provided for more advanced swimmers, those in Specialty Camps and some Super Camp programs.** Lifeguards are fully credentialed and have demonstrated rescue competence. The number of guards on duty is determined by the number of swimmers in the pool. Typically, three guards are on duty with an equal number of counselors assigned as "lookouts."

**Placement:** Campers are placed into groups based on the school grade they will be entering in the upcoming fall. Requests for friends in the same grade to be placed together may be done on a campers application. A corresponding request must be made by the friend's parent or guardian. Campers will not be moved into older or younger groups to be with friends or siblings. Specialty and Super Camps offer a wider mix of camper age ranges.

**Lunch and Snacks:** Campers bring bagged lunches that are kept refrigerated until lunchtime. Snacks are offered in the morning to Lower Campers and to all campers in PM Supervision. Popsicles are available at the end of the day for everyone. Campers are encouraged to bring a water bottle and whatever snacks they need to get through the day.

**Barrie Camp Staff Members:** Adults and teenagers are trained to be patient, enthusiastic and playful. They understand how to manage camper safety and well-being. All staff undergo multiple reference checks and criminal background investigations. They participate in a comprehensive pre-camp training program as well as trainings throughout the summer. Two or three staff members are assigned to each group depending on number of campers. Average number of campers per group is 18. Staff to camper ratios are based on American Camp Association requirements:

- ◆ Lower Camp - 1:6
- ◆ Middle Camp - 1:8
- ◆ Upper Camp - 1:10

**Leadership Team Members:** Experienced professionals with degrees in education or fields related to their roles. They are available to provide support to counselors as well as campers and their families. They ensure program quality, supervise specialists, create weekly schedules, and coordinate special event days.

**Registered Nurses:** Two registered nurses or a nurse and Emergency Medical Technician are on duty during the regular camp day. Staff trained in First Aid are on site during extended care hours.

**Activity Specialists:** Experienced specialists who have relevant college degrees or specific training, experience or certifications.

**Camp Counselors:** A highlight of every campers experience. Senior Counselors range in age from 18 to 22 and are high school graduates. Junior Counselors are rising Juniors and Seniors in High School. All counselors are trained to keep campers safe, be mindful of individual needs, to be engaging, caring and provide encouragement and support. Campers often value the relationships with their counselors above any other aspect of camp.

**Counselors-in-Training (CITs)** are going into their Sophomore year or high school and are full-time volunteers assigned to assist Senior and Junior Counselors as well as Activity Specialists.

Specialty camps are offered every week throughout the summer and combine a half-day concentration in a specific interest area with a half-day of day camp activities.

## Athletics

**Horsemanship at [Free Rein Farm](#)** (off site program) - Campers going into Grade 4 - Grade 8

Barrie Camp has partnered up with Free Rein Farm to provide an Equestrian program at their stables near Brookeville, Maryland. Horsemanship offers Equestrian classes and mounted instruction, learn about horse care and some fun horse related activities. Riders must have experience to enroll in the program. Riders must supply their own ASTM/SEI certified helmets, long pants, and hard-soled boots with a small heel.

**Karate Kids** - Campers going into Grade 2 - Grade 8

Offering a module creating a fulfilling martial arts experience through ninety minute daily sessions in Tae Kwon Do, the Korean art of Self Defense. As the summer progresses, participants will have the opportunity to rise two full belts.

**Sports Camp** - Campers going into Grade 4 - Grade 8

Campers who love sports will enjoy working on building their skill set through practice and scrimmages.

Weeks 2 & 3 - Soccer | Weeks 4 & 5 - Basketball | Weeks 6 & 7 - Flag Football | Weeks 8 & 9 - Lacrosse

## STEM

**Naturalists** - Campers going into Grade 2 - Grade 5

Barrie's campus provides the perfect setting for discovery, exploration, and wonder. Campers develop an understanding and respect for botany, zoology, and chemistry of the Earth. Searching through Barrie's outdoor campus, including Bel Pre Creek (part of the Anacostia River Watershed), campers contribute living and non-living items to the Camp's Nature Center. Gardening, simple field study, experiments, observations and recording activities in Nature journals are important parts of the day.

**Studio Art** - Campers going into Grade 2 - Grade 5

Create a variety of two and three dimensional artworks using multiple medias including drawing, painting, collage, and printmaking. Experimenting with traditional and non-traditional materials, campers develop a broader understanding and appreciation for all types of art.

**Weekly Themes:**

Week 1 - Key Chains & Beads | Week 2 - Paper Art & Clay | Week 3 - Painting & Perspective Fine Arts | Week 4 - Watercolor Landscape & Plate Paintings | Week 5 - Paper Mache | Week 6 - Jewelry Design | Week 7 - Clay & Collage | Week 8 - Imaginary Animal Art | Week 9 - Art of Mixed Media

**Video Production** - Campers going into Grade 4 - Grade 8

Focusing on all aspects of video production, campers will spend the week creating their own project. From screenwriting to editing their final project together at the end of the week, campers also learn story boarding, scene development, and cinematography. Campers enrolled in more than one week can work on more advanced projects.

## GENDER SPECIFIC

**Just Girls or Just Boys** - Campers going into Grade 2 - Grade 5

For those who just want to be one of the girls or only hangout with the boys, these single gender groups are an option. Each group rotates through a full day of traditional camp activities.

## LEADERSHIP PROGRAM

**Camper/Counselor-In-Training Program (C/CIT)** - Campers going into Grade 9

The C/CIT program helps bridge the summers between being a camper and becoming a staff member. Participants receive a purposeful introduction to the role and responsibilities of being a camp counselor combined with first-hand experience. A portion of the day is dedicated to leadership activities and shadowing camp staff and the rest reserved for the enjoyment of traditional camp activities. C/CITs are required to enroll in the program for a minimum of two weeks.

Super Camps are special offerings, providing blasts of fun and learning! Each program is unique and targets a specific interest and age group. Enjoy a half day in Super Camp and a half day of day camp activities.

	Super Camp: Juniors	Super Camp: Mids	Super Camp: Majors
	Grades K-2	Grades 3-5	Grades 6-8
Week 2 6/21 - 6/25	Kids Cuisine or DroBots: Junior Drone Pilot Academy	DroBots: Ultimate Drone Obstacle Challenge	Yes, Chef!
Week 3 6/28 - 7/2	Mad Science: Dinosaurs and Ancient Worlds	Culinary Cadets or Mad Science: Dinosaurs and Ancient Worlds	Yes, Chef!
Week 4 7/6 - 7/9	Kids Cuisine	Culinary Cadets or Auto Engineering Makerspace	Auto Engineering Makerspace
Week 5 7/12 - 7/16	Junior Naturalists		
Week 6 7/19 - 7/23	DroBots: Star Wars BB8 Adventures		DroBots: Roblox 3D Game Development Battle Royale
Week 7 7/26 - 7/30	Mad Science: NASA Academy of Future Space Explorers	Mad Science: NASA Academy of Future Space Explorers	Climate Cadets
Week 8 8/2 - 8/6		DroBots: Star Wars Empire vs Rebellion	DroBots: Drone Racing and Obstacle Course Challenge
Week 9 8/9 - 8/13	Mad Science: Flight Academy	Mad Science: Flight Academy	

## Juniors Super Camp Programs - Campers Rising Into Grades K, 1, and 2

No nap or rest period scheduled for campers going into Kindergarten. All Juniors Super Camps are in the afternoon except Junior Naturalists to allow for swim lessons in the morning.

### DroBots: Junior Drone Pilot Academy - PM Session - Cost: \$500

The mission: Captain Droby and her crew (campers) are exploring a faraway planet to discover new energy resources. The challenge: a colony of pesky aliens who will do anything to disrupt Captain Droby's crew. To conquer the aliens, campers will use a variety of flying, jumping, and rolling drones to navigate their way around the planet and successfully make it back to the mothership. DroBots use the safest and most reliable drone products on the market for enhanced safety and most of all, fun. Campers will learn all of the safety measures as they prepare to learn the basics of drone technology before taking to the air. All campers go home with plenty of DroBots keepsakes and trinkets so the memories last long beyond the summer.

♦ Week 2: June 21 - June 25 Group Size: Min. 8 / Max 12

### DroBots: Star Wars BB8 Adventures - PM Session - Cost: \$500

BB8 Adventures takes STEM to a galaxy far far away. This program combines all of the highlights from the latest Star Wars movies, specifically the newest droid, D-0 and the rest of the popular bots, which are certain to excite your camper! Each day, teams of campers (Squads) work together, with encouragement and guidance from their Jedi counselors, to customize droid-like robots and complete various Yoda engineering challenges. Throughout the week, campers will dunk intergalactic basketballs into mini hoops, play BB8 battleship, and joust in the balloon popping droid arena. Each challenge resents the campers with hands-on building and engineering lessons to help make their bots jump up ramps, roll through tunnels, and bounce over barriers. BB8 Adventures offers a friendly and collaborative environment, encouraging teamwork, sportsmanship and positivity - all while introducing campers to become active participants with today's most applicable, exciting, and new technology.

♦ Week 6: July 19 - July 23 Group Size: Min. 8 / Max 12

### Junior Naturalists - AM Session - Cost: \$500

Formerly Bug-A-Boo Nature. Naturalists for a younger audience. Campers will explore the diverse ecosystems across Barrie's campus. Dig in the dirt, wade in Bel Pre Creek (part of the Anacostia River Watershed), trek through forests looking for examples of the creepy crawly creatures living here. Turn trinkets from nature found the daily adventures into interesting and creative works of art.

♦ Week 5: July 12 - July 16

Group Size: Min. 4 / Max 12

### Kids Cuisine: Colorful Cool Foods! - PM Session - Cost: \$500

Campers will have the opportunity to learn about the health benefits of several colorful foods as well as practical applications for adding these helpful foods into a meal or snack item! Campers have the opportunity to learn various aspects of the nutritional properties for fruits and vegetables as well as any additional foods of choice that a camper would like to examine and explore further. This program will show campers the uses and benefits of natural foods, spices and the usefulness of the average household pantry item. Some past favorite spices to use in cooking are cinnamon, ginger, cardamom, clove, and sea salt. All of these spices have magnificent nutritional properties and taste great!

♦ Week 2: June 21 - June 25

Group Size: Min. 4 / Max 10

### Kids Cuisine: BBQ Madness! - PM Session - Cost: \$500

Campers will have the opportunity to explore the mini wonders of barbecue foods and grilling! Campers will learn about what grilling is, how it's done, where it's popular and about the flavor components that grilling adds to food, as well as discuss and choose several barbecue or barbecue party items that campers would like to re-create. Campers will learn how to make oven baked beans, potato salad, grilled kebabs, marinated grilled vegetables and more!

♦ Week 4: July 6 - July 9

Group Size: Min. 4 / Max 10

### Mad Science: Dinosaurs and Ancient Worlds - PM Session - Cost: \$500

Dig up dinosaurs and the ancient past! Solve real-life mysteries! Kids learn about archaeology and the techniques scientists use to excavate fossils and long-lost cities! They also study bone fragments, pottery shards, amber deposits, and fossils to understand what they can tell us about history! What's more, each class includes a make and take-home project, like a fossil reproduction, an amber time capsule, and coins from around the world! Finally, every camp will receive an unforgettable visit from 'Tiny T' an amazingly lifelike 10-year old Tyrannosaurus Rex!

♦ Week 3: June 28 - July 2

Group Size: Min. 8 / Max. 12

### Mad Science: NASA Academy of Future Space Explorers - PM Session - Cost: \$500

Blast off with the only camp designed and created specifically by NASA engineers! Set your future space explorers on a trajectory from our Earth's atmosphere to the outer reaches of our solar system! This hands-on program will bring children closer to the stars, planets, comets, and more. Learn about living in space, getting away from gravity, looking for space phenomena, and participate in a rocket launch!

♦ Week 7: July 26 - July 30

Group Size: Min. 8 / Max. 12

### Mad Science: Flight Academy - PM Session - Cost: \$500

Calling all pilots! As a Mad Science flight cadet in training, you will discover how airplanes fly. Test your airplane's performance in a wind tunnel. Build your own kite, stunt plane and model rocket. Ride the air on a Hovercraft. Discover how hot air balloons, blimps, and parachutes work.

♦ Week 9: August 9 - August 13

Group Size: Min. 8 / Max. 12

# Mids Super Camp Programs - Campers Rising Into Grades 3, 4, and 5

## Auto Engineering Makerspace - PM Session - Cost: \$500

What makes a car go? Learn the different parts of a motor vehicle by designing cars to meet different challenges. What type of design will survive an impact? How does the size of a vehicle influence its overall design, how can a balloon be used to propel a toy car, Is there such a thing as too many wheels? In this week-long camp, students will investigate these questions and more by designing cars using a variety of materials, and testing designs to create the best possible car to meet the challenge.

◆ Week 4: July 6 - July 9 Group Size: Min. 4 / Max. 12

## Culinary Cadets: International Eats! - AM Session - Cost: \$500

Campers will have the opportunity to explore international cuisine from various parts of the world and make treasured dishes from an international culture of choice. Campers will learn about the culture, the food staples, cooking style or tradition and they will also try their hand at re-creating an international favorite! Some past favorites are Caribbean style curry chicken, fried plantains, fresh tomato and cucumber salad with vinegar and oil, fried "bake" bread, coconut crusted fish, and homemade Saudi Arabian carrot square for dessert!

◆ Week 3: June 28 - July 2 Group Size: Min. 4 / Max 10

## Culinary Cadets: BBQ Madness! - PM Session - Cost: \$500

Campers will have the opportunity to explore the mini wonders of barbecue foods and grilling! Campers will learn about what grilling is, how it's done, where it's popular and about the flavor components that grilling adds to food, as well as discuss and choose several barbecue or barbecue party items that campers would like to re-create. Campers will learn how to make oven baked beans, potato salad, grilled kebabs, marinated grilled vegetables and more!

◆ Week 4: July 6 - July 9 Group Size: Min. 4 / Max 10

## DroBots: Star Wars Empire vs Rebellion - AM Session - Cost: \$500

Drone search and rescue is now a necessity for first responders around the world, adding a new layer of solutions in emergency situations. Like real rescuers, campers take part in and learn from simulated missions during this action-packed, creative, and educational week. Participants will learn to fly drones and rely on their rescue team to collect vital data in specific "rescue areas" to locate "victims" and safely assist them. Age-appropriate methods and cutting-edge technology are used when creating plans, missions, and maps. Campers will also learn invaluable lessons on how to simply, quickly, and accurately make informed and targeted suggestions for real-world positive applications.

◆ Week 8: August 2 - August 6 Group Size: Min. 8 / Max 16

## DroBots: Ultimate Drone Obstacle Challenge - AM Session - Cost: \$500

This action-packed program is specifically designed for both the novice and experienced drone enthusiasts. Full of excitement, teamwork, learning, and fun, campers enjoy one of the world's fastest growing sports, Drone Obstacle Course Racing. Throughout the week, campers learn about the basic safety of drone flying and the history behind drone racing as a sport. As the week progresses, campers will advance through various skill challenges, learning how to perform assorted exercises and maneuvers to become familiar with the drone's speed and agility. Campers will use iPads and remote controls to pitch, yaw and roll their drones through some of DroBots' most daring obstacle courses. Participants will utilize their creative minds to help design the obstacle layout and then build the obstacle course in preparation for the camp's final activity and competition.

◆ Week 2: June 21 - June 25 Group Size: Min. 8 / Max 16

## Mad Science: Dinosaurs and Ancient Worlds - AM Session - Cost: \$500

Dig up dinosaurs and the ancient past! Solve real-life mysteries! Kids learn about archaeology and the techniques scientists use to excavate fossils and long-lost cities! They also study bone fragments, pottery shards, amber deposits, and fossils to understand what they can tell us about history! What's more, each class includes a make and take-home project, like a fossil reproduction, an amber time capsule, and coins from around the world! Finally, every camp will receive an unforgettable visit from 'Tiny T' an amazingly lifelike 10-year old Tyrannosaurus Rex!

◆ Week 3: June 28 - July 2 Group Size: Min. 8 / Max. 20

## Mad Science: NASA Academy of Future Space Explorers - AM Session - Cost: \$500

Blast off with the only camp designed and created specifically by NASA engineers! Set your future space explorers on a trajectory from our Earth's atmosphere to the outer reaches of our solar system! This hands-on program will bring children closer to the stars, planets, comets, and more. Learn about living in space, getting away from gravity, looking for space phenomena, and participate in a rocket launch!

◆ Week 7: July 26 - July 30 Group Size: Min. 8 / Max. 20

## Mad Science: Flight Academy - AM Session - Cost: \$500

Calling all pilots! As a Mad Science flight cadet in training, you will discover how airplanes fly. Test your airplane's performance in a wind tunnel. Build your own kite, stunt plane and model rocket. Ride the air on a Hovercraft. Discover how hot air balloons, blimps, and parachutes work.

◆ Week 7: Aug 9 - Aug 13 Group Size: Min. 8 / Max. 12

# Majors Super Camp Programs - Campers Rising Into Grades 6, 7, and 8

## Auto Engineering Makerspace - AM Session - Cost: \$500

Learn the basic physics of how cars move by building three different car designs, each with their own unique properties and build goals. Build a car out of K'nex pieces that can carry the most possible ping-pong balls, use recycled materials to make a self-propelled vehicle, and challenge yourself by creating a vehicle that is powered by the spring of a mouse trap. This week long camp will involve lots of building, testing, improving designs, creativity and fun. Students get a chance to explore the physics of movement while learning and practicing the iterative nature of engineering design

◆ Week 4: July 6 - July 9                      Group Size: Min. 4 / Max. 12

## Climate Cadets - AM Session - Cost: \$500

A program for campers craving a more in-depth science and nature program. This Super Camp aims to lay out the foundation to educate and train tomorrow's stewards of the environment. Campers will learn about climate science, geography, mapping, carbon cycle and the greenhouse effect. Campers will also use Barrie's natural campus for field work.

◆ Week 7: July 26 - July 30                      Group Size: Min. 5 / Max. 12

## DroBots: Drone Racing and Obstacle Course Challenge - AM Session - Cost: \$500

Get ready to pitch, yaw, roll, and thrust around the Drone Arena in this exhilarating camp program. Throughout the week, campers will enjoy one of the world's fastest growing sports, Drone Racing. Campers will first learn about the basic safety of drone flying before fine-tuning their hand-eye coordination skills and free fly the drone. Campers will advance through an abundance of skill challenges, both in the air and on the ground, as they learn how to perform various exercises and maneuvers to become familiar with the drone's speed and agility. Each day, teams of "flight squads" post up against one another in friendly competition as they race against not only one another, but also the clock. Pilots will first maneuver the drone through creative yet compact obstacle courses before taking on the challenge of flying for speed. There is a creative component to this camp program, as flight squads will help to create the course design and then, help build the obstacle course in preparation for the last day's final activities and Drone Olympic competition.

◆ Week 8: August 2 - August 6                      Group Size: Min. 4 / Max. 12

## DroBots: Roblox 3D Game Development Battle Royale - AM Session - Cost: \$500

Fans of Fortnite, we need you! Instead of just playing your favorite battle royale games, why not design your own? In this exciting program campers will use a professional 3D game development software, like Lua, to build levels and assets and create action and battle sequences inspired by popular games like Fortnite. In this popular camp students will create a Fortnite-style Battle Royale game in Roblox! Students will learn both the basics of 3D game development and fundamental programming concepts using the Lua programming language. This camp is designed for beginner to intermediate students who are interested in both programming and game development.

◆ Week 6: July 19 - July 23                      Group Size: Min. 4 / Max. 12

## Yes, Chef!: Colorful Cool Foods! - AM Session - Cost: \$500

Campers will have the opportunity to learn about the health benefits of several colorful foods as well as practical applications for adding these helpful foods into a meal or snack item! Campers have the opportunity to learn various aspects of the nutritional properties for fruits and vegetables as well as any additional foods of choice that a camper would like to examine and explore further. This program will show campers the uses and benefits of natural foods, spices and the usefulness of the average household pantry item. Some past favorite spices to use in cooking are cinnamon, ginger, cardamom, clove, and sea salt. All of these spices have magnificent nutritional properties and taste great!

◆ Week 2: June 21 - June 25                      Group Size: Min. 4/Max. 10

## Yes, Chef!: International Eats! - AM Session - Cost: \$500

Campers will have the opportunity to explore international cuisine from various parts of the world and make treasured dishes from an international culture of choice. Campers will learn about the culture, the food staples, cooking style or tradition and they will also try their hand at re-creating an international favorite! Some past favorites are Caribbean style curry chicken, fried plantains, fresh tomato and cucumber salad with vinegar and oil, fried "bake" bread, coconut crusted fish, and homemade Saudi Arabian carrot square for dessert!

◆ Week 3: June 28 - July 2                      Group Size: Min. 4/Max. 10

## Day Camp Schedules

Day Camp provides a comprehensive mixture of traditional camp activities, perennial favorites, and fun new offerings. All campers enjoy on-site swimming, sports, nature, arts and crafts, archery, canoeing, dance or movement, storytelling, music, cooperative games, dramatics, and a daily gathering known as Flagpole.

Daily schedules are created the week prior, giving campers the opportunity to experience all that Barrie Camp has to offer. Activities vary based on a campers age and activity availability.

Example Schedule For Lower Camp

Period	Monday	Tuesday	Wednesday	Thursday	Friday
0: 09:00-09:20	Monday Welcome	Flagpole	Flagpole	Flagpole	Flagpole
1: 09:35-10:10	Swim	Swim	Swim	Swim	Swim
2: 10:20-10:55	Swim	Swim	Swim	Swim	Swim
3: 11:05-11:40	Drama	Boating	Traditional Camp Games	Exploring Nature	Arts & Crafts
4: 11:50-12:25	Lunch	Lunch	Lunch	Lunch	Lunch

8: 02:50-03:25	Swim	Swim	Swim	Swim	Swim

*These are examples of what a daily schedule can look like. Arrangement of activities will change from week to week.*

## Specialty and Super Camp Schedules

C/CIT, Specialty, and Super Camp combine a half-day concentration in a specific interest area with a half-day of traditional camp activities. Some programs target a specific age group or require a two week minimum enrollment.

**Example Schedule For Camper/Counselors-In-Training**

Period	Monday	Tuesday	Wednesday	Thursday	Friday
0: 09:00-09:20	Monday Welcome	Flagpole	Flagpole	Flagpole	Flagpole

2021 Camp Weeks ~ 9:00 am to 4:00 pm

One	Two	Three	Four*	Five	Six	Seven	Eight	Nine
6/14-6/18	6/21-6/25	6/28-7/2	7/6-7/9	7/12-7/16	7/19-7/23	7/26-7/30	8/2-8/6	8/9-8/13

\*No camp on July 5 due to observed federal holiday.

**Eligibility:** Children must be age 4 through 14 by December 31, 2021 to be eligible. Specialty and Super camps are geared toward designated age groups. Juniors Super Campers do not have nap time. *All campers must be fully potty-trained.*

## Enrollment Procedure:

**Step 1: Submit a camper application with payment information.** [www.barrie.org/camp](http://www.barrie.org/camp)

All camper applications are online only. Major credit cards or checks are accepted. If paying by check, your full deposit is due within 14 days upon enrollment confirmation. Failure to send payment may result in your campers enrollment being cancelled.

**Step 2: Complete and submit all Barrie Camp Health Forms by June 1, 2021 or at time of registration when enrolling after June 1.** Please read instructions carefully. Forms from other agencies or programs will not be accepted due to required guidelines. For the safety of all at Barrie Camp, all Health Forms must be on file in the camp infirmary before a camper is permitted to participate. This includes the Authorization to Administer Medication for campers who will be taking medication while at camp. Campers without complete Health Forms will not be allowed to participate in camp activities until all Health Forms have been turned in and reviewed by the Camp Nurse.

**Availability:** Registration opens early January and continues through August 6th. Several programs and age groups limit enrollment numbers. Registration for those programs closes once all spots are filled. To ensure placement in a desired program and to benefit from early bird pricing discounts, register before March 19.

**Enrollment Options:** Choose between Day, Specialty, or Super Camp programs. Multiple weeks do not have to be consecutive.  
NOTE:

- ◆1) the C/CIT program requires a minimum of two weeks of consecutive enrollment
- ◆2) Horsemanship has a separate fee
- ◆3) Super Camps are one time offerings with different dates, ages requirements, and costs.

**Extensions:** Campers are welcome to sign-on for additional weeks provided space is available. Discount incentives will be appropriately applied.

**Tuition:** For Day Camp, and most Specialty Camps, a tiered pricing structure applies to siblings and those attending multiple weeks. Additional discounts apply for early bird enrollment between enrollment opening and March 19. Horsemanship, Super Camps, and the C/CIT Program are priced separately and do not have discounts. Morning and afternoon extended hours, and bus transportation come with additional fees. **Barrie students enrolled in the 2021-22 academic year receive a 10% discount on all camp fees.** Contact the camp for the promotional code. There is a \$50 discount to campers enrolled in Week 4, July 5 - July 9.

**Payment Plans:** If needed, a payment plan can be arranged and is typically an automatic monthly credit card charge. The first week is to be paid at the time of application with final payment due by the start of camp.

**Confirmation:** Enrollment is confirmed by email from Camp. Payment will be processed within seven business days. Health forms and additional forms will be made available on your CampInTouch account.

**Withdraw or Refunds:** There are no refunds, credit, or remission of fees, except as follows:

- ◆If a withdraw request is received in writing from the child's parent by 5 pm EST May 15, 2021, camp retains a \$100 registration fee. All remaining tuition and fees will be refunded.
- ◆If a child is unable to attend camp due to serious and/or extended illness or injury that has been confirmed in writing by the child's physician, a refund or credit tuition for the number of consecutive days absent after the first five consecutive days of absence.

2020 Rate Chart (per week / per camper)	One Camper or First Sibling				Second and All Additional Siblings			
	4 weeks or more	3 weeks only	2 weeks only	1 week only	4 weeks or more	3 weeks only	2 weeks only	1 week only
Early Bird - 1/8/20 to 3/19/20	\$400	\$425	\$450	\$475	\$380	\$405	\$430	\$475
Regular - 3/19/20 to 8/2/20	\$425	\$450	\$475	\$500	\$405	\$430	\$455	\$500
Horsemanship	N/A	N/A	N/A	\$600	N/A	N/A	N/A	\$600
Super Camps	N/A	N/A	N/A	\$500 and up	N/A	N/A	N/A	\$500 and up
C/CIT	\$350	\$350	\$350	N/A	\$350	\$350	\$350	N/A

A 10% discount is available to all fees for Barrie families enrolled in the 2021-22 academic year. Contact the Camp for the discount upon completing your campers registration.

AM Supervision - 7:30 AM to 8:30 AM	\$50
PM Supervision - 4:30 PM to 6:00 PM	\$75
AM & PM Supervision	\$115
Round Trip Bus Service Late Bus includes PM Supervision	\$165 \$190
AM or PM Bus Service Late Bus includes PM Supervision	\$115 \$165
AM Supervision Drop-In PM Supervision Drop-In	\$15 \$20

### Enrollment Notes

- ◆ Tuition covers regular camp program, activities and end of day popsicles.
- ◆ Multi-camper rates apply just to the second and all additional siblings.
- ◆ For campers enrolled in more than one program, rates are based on total number of weeks in camp.
- ◆ To qualify for rates as shown, applications and payment in full must be postmarked on or before the end of the rate period.
- ◆ \$50 discount to campers enrolled in Week 4 due to camp being closed July 5

**Hours of Operation:** Programing runs 9:00 am to 3:25 pm. Camper drop off is between 8:30 am and 9:00 am. Afternoon departure is between 4:00 pm and 4:30 pm. No camp on the Observed Independence Day holiday Monday, July 5, 2021.

**Early Bird Rates:** Early bird rates are in effect until 11:59 pm on Friday, March 19th.

**Extended Hours:** Supervision is available before and after camp on a full time or drop-in basis. The chart above lists the weekly and daily rates.

**Bus Routes:** Pick-up point bus services are available from the following locations. See specific stop locations and times on page 17 and 18.

- ◆ Tenleytown / Chevy Chase
- ◆ Bethesda
- ◆ Potomac / Rockville
- ◆ Takoma Park / Silver Spring
- ◆ Olney / Poplar Run

For families who require bus transportation but cannot pick up until later, the Late Bus is an available option at select locations.

**Camp Location:** 13500 Layhill Road, Silver Spring, MD 20906 (one mile north of Glenmont Metro station)

**More Information:** Detailed information about Barrie Camp is available at [www.barrie.org/camp](http://www.barrie.org/camp). Assistance with enrollment is available by phone at 301-576-2818 or email [camp@barrie.org](mailto:camp@barrie.org).

# Extended Hours and Bus Transportation

Before and after camp supervision is available on a full time or drop-in basis for additional fees. Morning supervision begins at 7:30 am. Afternoon supervision ends promptly at 6:00 pm. Campers entering grade one and above may enjoy an extra free swim during afternoon supervision. Campers that remain after 6:00 pm are taken to the Camp Office on our upper campus.

Extended Hours Rates	Weekly Rates	Drop In Rates (per day)
AM Supervision - 7:30 AM to 8:30 AM	\$50	\$15
PM Supervision - 4:00 PM to 6:00 PM	\$75	\$20
AM & PM Supervision	\$115	\$35
Additional charge for use of Extended Hours with no prior notification	n/a	\$10
Charge assessed for pick-up after 6:00 PM	\$2 per minute	\$2 per minute

**Bus Routes:** Transportation to and from camp is available from convenient pick-up points located through Montgomery County and Northern Washington, D.C. Signed agreements must be on file before campers are permitted to ride the bus. With prior arrangements, a camper may occasionally use bus services as a drop in if space permits. Locations that buses pick up from are in:

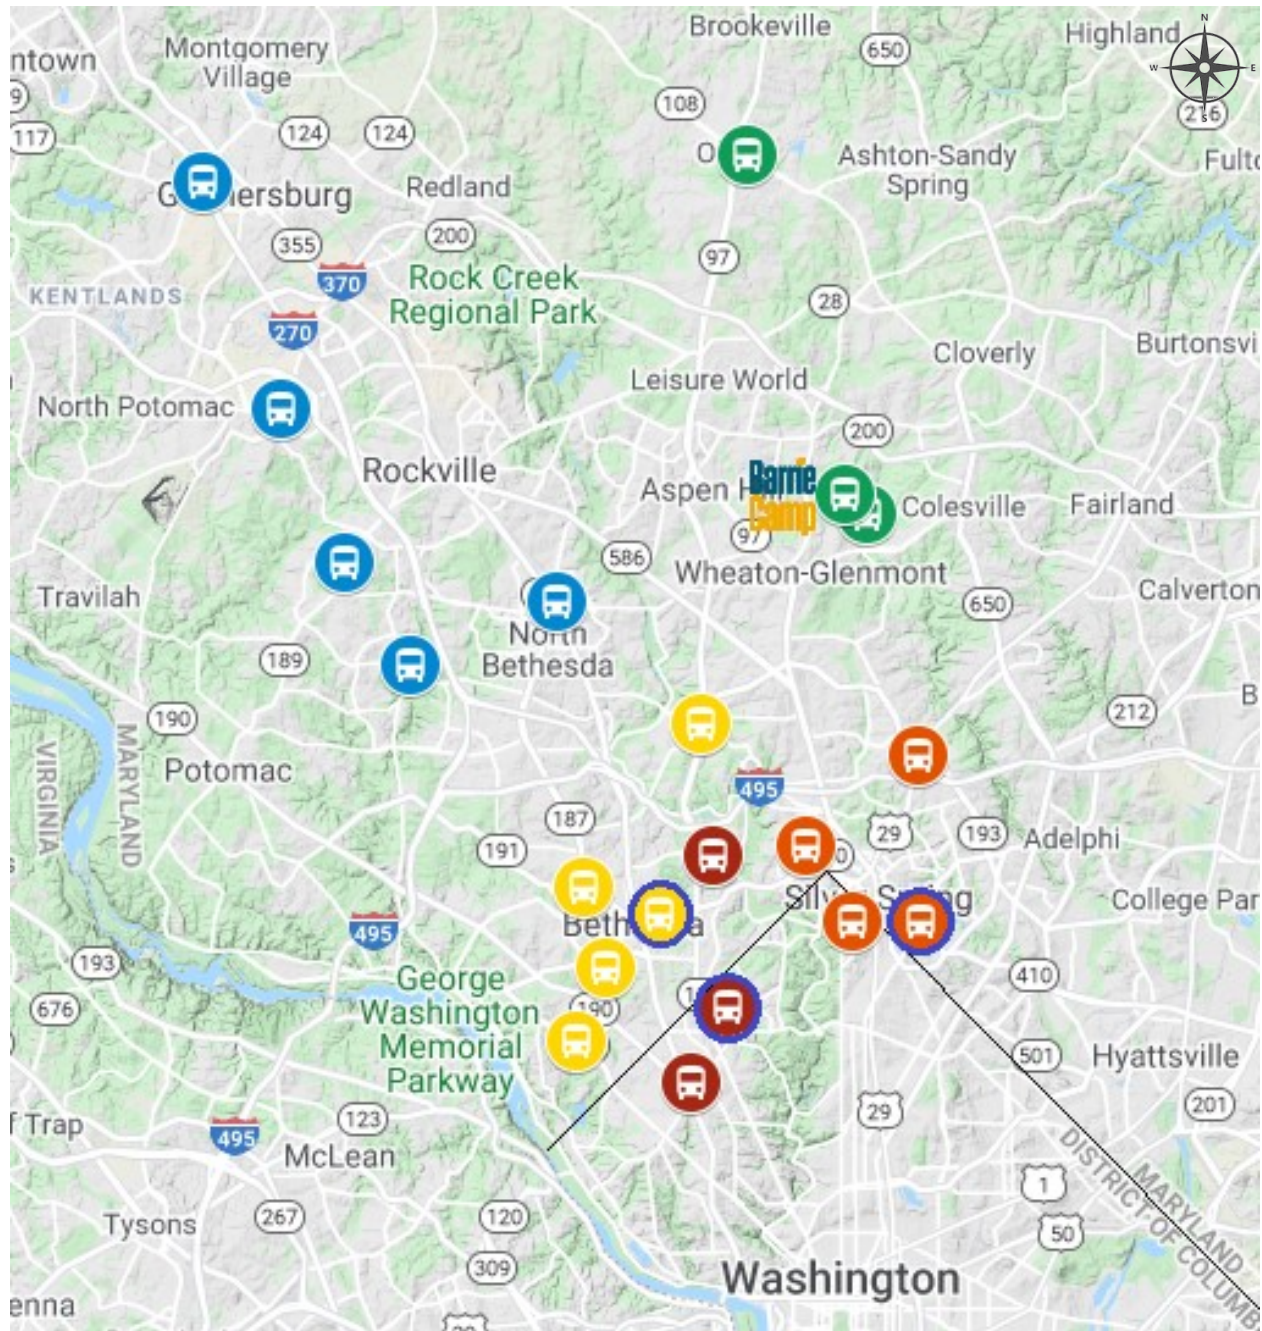

- ♦ Bethesda
- ♦ Chevy Chase
- ♦ Gaithersburg
- ♦ Kensington
- ♦ Olney
- ♦ Potomac
- ♦ Rockville
- ♦ Silver Spring
- ♦ Takoma Park
- ♦ Tenleytown

**2021 Summer Bus Rates:** Our bus rates are raised this summer due to the Covid-19 pandemic. Restrictions from the State of Maryland and Montgomery County require less campers per bus to fulfill required social distancing guidelines for camper safety.

Transportation Rates	Weekly Rates	Drop In Bus Rates (per Day)
One-Way Bus Service (AM or PM)	\$115	\$40
Two-Way Bus Service	\$165	\$40
Late Bus Only (includes PM Supervision)	\$165	\$50
Late Bus with Two-Way Bus Service (includes PM Supervision)	\$200	\$50

A complete listing of bus routes detailing locations and times is listed on page 17 and 18
