**Sunscreen and Bug Spray Form
Authorization Form**

13500 Layhill Road, Silver Spring, MD 20906
301-576-2800 fax: 301-576-2805 www.barrie.org

The Maryland Office of Environmental Health and Food Protection does not consider sunscreen/bug spray a medication requiring a prescriptive order. However, Barrie Camp must obtain the following authorization from the parent/guardian before a camper or camp staff applies sunscreen/bug spray while at Camp.

My child(ren), _____, is/are permitted to have sunscreen/bug spray applied throughout the camp day as follows:

_____ **WITH** assistance from Barrie staff members

_____ **WITHOUT** assistance from Barrie staff members (please note: by checking this you acknowledge that at any point throughout the summer, no staff member on campus will assist/apply sunscreen to your child)

_____ **I AM** providing the following sunscreen/bug spray for my child _____

Parent or Guardian's Signature: _____ Date: _____

- Parents are strongly encouraged to apply sunscreen/bug spray to their campers before they attend camp for the day.
- Campers should re-apply sunscreen/bug spray according to the directions written on the label of the provided sunscreen.
- Please mark the sunscreen bottles with the camper's name.
