Sensi “Captain Kick” Brian is a second degree Black Belt in Tae Kwon Do, and has been an instructor at Barrie since 2002.

Little Dragons: We provide an on-going series of martial arts classes especially for the kids who are in Pre-K and Kindergarten. These are classes tailored to the specific needs of the younger child – especially in terms of attention span, gross motor coordination, balance, focus and world experience. This is a simpler version of the more advanced junior black belt program. We use a combination of fun methods to disguise the repetition of these skills, using games, obstacle courses, combined with a story for the Lesson of the Day and simple martial arts techniques.

Junior Black Belt: A ten week long series of martial arts and character lessons based in the Jhoon Rhee and Chunji Styles of Tae Kwon Do. We work on building a solid foundation of the fundamentals of karate, character building, personal safety and physical fitness. The goal is to provide a fun, SAFE, and constructive environment in which to learn the basic skills of life – focus, discipline, courtesy, concentration, perseverance and self-defense skills – while having fun. Through the practice of Karate (Martial Arts) students will improve their coordination, physical condition, reaction, and self-discipline. Studying Karate, children will learn to manage interpersonal relationships, and learn how create a true atmosphere of friendship and respect.

There is a demonstration on the final class. Parents are encouraged to attend!
